City Council Agenda Item

SUBJECT:	Structure Lease Agreement – Vivint Wireless
APPLICANT PRESENTATION:	N/A
STAFF PRESENTATION:	Chandler Goodwin, Asst. City Manager

BACKGROUND AND FINDINGS:

Vivint Wireless Inc. has proposed a structure lease agreement with the city which would allow Vivint to install wireless Internet facilities at the recreation center. The components of the Vivint structures would be installed on the south west roof area, and include eight 1' dishes and two 2' dishes, mounted on poles (for equipment detail, see attachment). The council should review the hardware attachment schematic. Recreation staff is concerned with the placement of any roof top hardware as it may affect the aesthetics of the roofline.

Vivint has proposed to offer the city internet access at the city offices and recreation as part of compensation, as well as cover the cost of providing power to their location. The projected internet speeds are proposed to be significantly higher than our typical speeds from our current service provider. The city has charged \$250 per site to other service providers in addition to the no-cost wireless.

Staff has met on site with Vivint to discuss the feedback received from the Council. Vivint will provide a new mechanical detail sheet, and agreement.

PREVIOUS LEGISLATIVE ACTION:

The City engaged in a contract with RapidWave. The contract was assumed by Digis. The current contract is expired and is being re-negotiated.

City Council tabled the previous agreement on 4-14-2015

FISCAL IMPACT:

See contract for any compensation provided by the tenant.

SUPPORTING DOCUMENTS:

Vivint structure lease agreement, Equipment detail, site drawings

RECOMMENDATION:

Staff recommends the City Council review the proposed structure lease agreement and the following terms of agreement and authorize the execution of said contract.

BACKGROUND AND FINDINGS: <p>The City of Cedar Hills currently has a Police Services Agreement with American Fork City. Police matters including animal control activities are provided within the framework of the contract. American Fork Police Department has proposed that an updated Police Services Agreement be executed with changes as follows: 1) Contract length will be 24 months with an automatic renewal unless written notice is given by either party no later than 180 days prior to renewal date. 2) An increase in contract rate shall include a 3.5% adjustment once per contract period.</p> <p>The modification to the Police Services contract gives additional stability to the Police department through a multi-year contract. The contract also reduces the overall contract rate charged to Cedar Hills by allowing for one increase of 3.5% during the contract period, rather than annually as is stipulated in the current contract.</p>
