City Council Agenda Item

SUBJECT:	Discussion on the Golf Course Driving Range Fence
APPLICANT PRESENTATION:	
STAFF PRESENTATION:	Greg Gordon
BACKGROUND AND FINDINGS: <p>The City Council has discussed the driving range fence in the past on a number of occasions and it has been recommended to be up for discussion once again. The City Council should still have all the numbers that have been discussed in the past and options that we have, please remember that as we reduce the scope of work the bid isn't necessarily cut in ½, a lot of the bids have to do with the size of the project for them to locate on site and they typically are always a couple of months out from scheduling and for the work to be done. With the golf season starting up they will be extremely busy with other job sites already scheduled prior.</p> <p>Golf staff has already moved all the distance markers to the left side of the driving range for golfers to aim at. Staff will continue to work with Mr. Bunker all other options as they are presented or discussed as most have budget ramifications and I would expect to have input from my team on their thoughts/concerns.</p>	
PREVIOUS LEGISLATIVE ACTION: <p>The City Council approved and had staff move forward with 5 new poles and netting back in 2014 to offset some of the issues from errant golf balls going into the area.</p>	
FISCAL IMPACT: <p>This would be an unexpected expense that is not budgeted for.</p>	
SUPPORTING DOCUMENTS: <p>N/A</p>	
RECOMMENDATION:	
MOTION: <p>Discussion item only.</p>
