This work session of the City Council of the City of Cedar Hills, having been properly noticed, was called to order at 6:14 p.m. by Mayor Richardson.

- Discussion Regarding the City Council Procedure Policies (6:14 p.m.)

See handouts.

Kim Holindrake proposed moving the city manager reports and mayor/council reports to the top of the agenda in order to give that information earlier in the meeting when more residents are present. It should be placed after the Consent Agenda but before the Scheduled Items, and it would be its own section titled City Reports.

- C. Jackman stated that he would like to remove item 13, the adjournment time, which requires that the meeting end by 11:00 or be extended by motion. The rest of the Council concurred.
 - C. Rees requested that the deadlines for getting the packet information to Council members or taking things off the agenda be adhered to more closely. Specifically, she felt blindsided in the previous meeting when one agenda item was cancelled.
 - C. Jackman requested that the public hearing procedure policies be followed as written, with a staff presentation first.
 - Mayor Richardson suggested that public hearing be part of the scheduled items, after the staff and applicant presentation and before the council discussion. Public comments would be for items not on the agenda.
- Discussion on a Civic Center Preliminary Study and Analysis (6:49 p.m.)

See handouts.

Brad Kearl stated that staff has put together an analysis of current space, what is needed, and what is wanted.

- Noticed Agenda Items for the Regular Council Meeting
- Motion to go into Executive Session, Pursuant to Utah State Code 52-4-204 and 52-4-205
- Motion to Adjourn Executive Session and Reconvene Work Session

No Executive Session.

This work session was adjourned at 7:06 p.m. by Mayor Richardson.
