Items of Discussion:

LPPSD Presentation

Chief Freeman gave a presentation on Lone Peak Public Safety District (LPPSD). Lone Peak Fire was the first fire district in Utah County, and the first part-time firefighter program in Utah County. They were also the first district in north Utah County to combine fire and EMS in one program and to go to paramedic service. Lone Peak has an intern program, and has a top-tier canyon rescue team, including certification in swift water rescue. In 2013, LPPSD instituted the vehicle consolidation plan, mobile emergency command center, a flex-squad program and a 6th grade fire academy. The Cedar Hills fire station averages 3 people staffing it, with over 250 days with 3 or 4 staff members. Cedar Hills has expressed an interest in having 4 staff members in the building. To staff 4 at all times would cost an additional \$75,000 to \$100,000, making total cost \$710,000 minus station rent rebate of \$40,000 for a total of \$670,000. He recommended Cedar Hills use Lone Peak Police, largely because of continuity with dispatch services.
