This work session of the City Council of the City of Cedar Hills, Utah, having been properly noticed, was called to order at 6:18 p.m. by Mayor Gygi.

Transitory Correspondence

Eric Johnson trained the council on transitory correspondence, which is defined as relating to matters of short-term interest that does not impact agency functions, contains no final contractual information, and once resolved has no further use or purpose. The definition is vague and room for judgment call is broad. Transitory correspondence does not need to be kept.

Potential Cemetery Field Trip (6:28 p.m.)

The Council visited a potential cemetery site.

This meeting was adjourned at 7:00 p.m. by Mayor Gygi.
