This work session of the City Council of the City of Cedar Hills, having been properly noticed, was called to order at 6:05 p.m. by Mayor Gygi.

Items of Discussion:

Report from State Representative Michael Kennedy

Representative Michael Kennedy stated that in the most recent legislative session, the legislature passed a \$14 billion budget. The legislature was able to pass a bill for fallen police officers. Mayor Gygi worked on that bill. The legalization on the marijuana issue is a complex issue. He wants to more fully understand the chemical. Medicaid expansion is risky because the future costs are unforeseen. There was a small expansion to the homeless and to those recently released from incarceration. He favored that proposal because the numbers could be quantified. He could support a gas tax bill if Utah Transit Authority is taken out of the equation, though he has not heard a formal proposal for it. Senator Dayton is opposed to the parceling off of developmental center land. There are long term needs for the state developmental center.

Mayor Gygi stated that he has been working on a proposal for the gas tax and has met with various counties and the majority whip. He does not believe it will be proposed this legislative session.
