NEW! Garden Tours of Cedar Hills

SEE WHAT'S BLOOMING in Cedar Hills! New this year, the Garden Tours of Cedar Hills will give attendees an opportunity to stroll through some of the most interesting and beautiful private gardens in the city. Discover new gardening techniques, while daydreaming of ways to incorporate new designs and strategies into your own yard. Seeing what other homeowners have done will inspire reluctant or inexperienced gardeners to learn new skills and try new methods. The individual homeowners will be on hand at the tours to answer questions and offer encouragement to attendees through a common interest in gardening.

The city's Beautification Committee invites garden lovers to explore the beautifully landscaped yards on Friday, June 29, from 6:00 p.m. to 9:00 p.m. and Saturday, June 30, from 10:00 a.m. to 1:00 p.m.

The committee wishes to thank those who have taken the time and effort to open their gardens for this tour. The garden tour locations are available at cedarhills.org/tours.

Mayor's Message

Family Festival 2018 has finally arrived! The Family Festival Committee has been hard at work for several months to plan a variety of activities for the entire

week, including several new events, such as the Teen Swim Party, the Amazing Race, U-Jam, YCC Park in the Dark, Pickleball Tournament, and the Outdoor Adventure Zone. This is my favorite week in Cedar Hills, as I love seeing friends, family, and neighbors gather together at the various events. Cedar Hills is a wonderful community, and Family Festival is one of the things that contributes to that hometown feel we love about living here.

I want to thank everyone who serves on the Family Festival committee. The week consists of months of be-

hind-the-scenes planning by volunteers and city staff. Through their hard work and dedication, Family Festival has grown and offers more activities every year, in order to have something for everyone in our community to enjoy.

Mayor Jenney Rees

"Family Festival is one of the things that contributes to that hometown feel we love about living here."

—Mayor Rees

I also want to thank the many volunteers who serve during the week to make sure every event runs smoothly. We can't do this without volunteers, and we appreciate their willingness to serve.

Family Festival runs June 4 through 9. Find the schedule of events at cedarhills.org/festival.

I hope you and your family enjoy the many events planned for the week and I look forward to seeing you as we kick off summer in Cedar Hills!

Landscape Watering Restrictions Continue

The city continues with outdoor watering conservation measures for all residential water users. Residents with odd-ending house numbers will water **Mondays, Wednesdays, and Fridays**. Residents with even-ending house numbers will water **Tuesdays, Thursdays, and Saturdays**. Spot watering with a hose is allowed on Sundays for everyone. Restrictions are enforced with a warning for the first violation, a \$50 fine for the second violation, and a \$200 fine for the third and subsequent violations. The policy is in effect from April 15 to October 15. Commercial, church, park, and golf properties may be on different schedules, including daytime watering, to offset water demand.

As we begin another watering season, we encourage everyone to implement water conservation practices. Visit conservewater.utah.gov for info about water-wise plants and other methods of conserving water. Water is not a renewable resource, so we need to use it wisely!

STORM DRAIN TIP OF THE MONTH

We Can Make a Difference!

Storm drains lead to rivers, lakes, and streams. When contaminants enter storm drains, they pollute our water resources. Ground water runoff can pick up contaminants, including sediment, oil, gas, fertilizer, pet waste, grass clippings, car wash water, etc. By making some simple changes, you can help prevent polluted runoff:

- Fix auto leaks promptly
- Properly dispose of used motor oil
- Don't top off when you fill up
- Put trash in its place
- Never dump anything down a storm drain!

Parking for Boats and Trailers

A friendly reminder not to use public streets for long-term parking of cars, trucks, trailers (for work or play), RV's, boats, campers, basketball standards, etc. According to city ordinances, such items cannot remain on the street for more than 48 hours. Keep all of the above-mentioned items on hard surfaces on your property.

Installing a Fence, Shed, or Retaining Wall?

Prior to installation, please visit the city's website or call the city office for important information. The website provides a download and instructions for submitting the required installation permit. Call Blue Stakes before you dig; it's the law! Dial 811 to reach Blue Stakes.

Street Projects

During the summer months various street projects are scheduled throughout the city. Please be patient and courteous as the construction is in progress. These city projects are in addition to the current, ongoing Canyon Road asphalt replacement project.

Door-to-Door Solicitors

Help keep our neighborhoods safe. Ask solicitors to show a city-issued photo badge or instruct them to obtain a license from the city. Report violations or nuisances to police dispatch 24/7 at 801-794-3970.

Holiday Office Closing & Delay in Service

The city office will close July 4 and July 24. Friday's garbage and recycling services will be delayed until Saturday the week of July 4. Services will run as usual with no delays the week of July 24.

Yards of the Month to Begin Again

Each month during the summer, the Beautification Committee will award residents in recognition of their efforts to beautify the city. Photos of the yards will be available for viewing on the city's website at cedarhills.org/yards. One winner from each of the city's five voting precincts is selected each month, June through September.

Using City Parks

Many people have begun using the city's beautiful parks and trails. Please be aware that there are rules established for usage to ensure safety and enjoyment for everyone, including those who live near the parks.

- Park curfew is 11:00 p.m. Persons in the park after hours may be subject to legal action.
- Amplified sound has restrictions. Refer to city code 6-8-6 for more information.
- Pets are to be on a leash, and owners should dispose of pet waste properly.
- Children should be supervised at all times.
- Respect the privacy of the landowners who are adjacent to the parks and trails.
- Vehicles are not allowed in the parks or on the trails.
- Smoking, including e-cigarettes, and alcoholic beverages are prohibited.
- Please do not disturb the landscaping.

If we all follow the rules of civility, our parks and trails will continue to be an appealing and enjoyable part of Cedar Hills. If you witness damage, vandalism, or suspicious activity, please call 911 or notify non-emergency police dispatch 24/7 at: 801-794-3970.

Primary Election Information

Voted ballots must be post-marked on or before June 25, or you may drop them off at the Cedar Hills city office during regular office hours leading up to and on Election Day until 8:00 p.m.

If you do not receive a ballot in the mail, update your voter registration at vote.utah.gov. The last day to register to vote for this election is June 19. You will then need to wait until Election Day, June 26, to vote in person at the Cedar Hills office, 10246 N Canyon Road.

If you did not receive a ballot or you need the amenities of the electronic voting equipment, you may vote in person during the early voting period at any of the county's four early voting centers. Fireworks & Fire Restrictions

With the fireworks season upon us, the city declares its support for the Lone Peak Fire Department to limit fire risk in our community by adopting a resolution (City Code 5-2-3A4), which outlines these restrictions:

- **Fireworks:** All aerial and non-stationary fireworks, i.e. ground flower types, are prohibited inside and within 200 feet of the highlighted areas of the restrictions map and within 200 feet of any undeveloped lot. The map can be viewed at cedarhills.org/fires2018. Additionally, **ALL** fireworks and aerials are prohibited in city parks, the golf course, and all other city-owned properties.
- **Open Fires:** All open fires east of Canyon Road within city limits are prohibited, unless a screen is used.

Cedar Hills officials and staff wish all residents a fun and safe summer. Please use caution and good judgement when using fireworks or building open fires. For any questions please contact the City of Cedar Hills at (801) 785-9668, ext. 100.
