Sunset Farmers Markets Brings Fresh Produce and More to Cedar Hills

CITY OFFICIALS AND STAFF are happy to announce that a farmers market was recently approved to be held this summer in Cedar Hills! Sunset Farmers Markets will bring farmers, food artisans, and small businesses together in our community for the enjoyment of all. The market will provide local access to home-grown produce, breads, eggs, honey, natural products, art, and more! The market will be held weekly on Wednesday evenings, **July 11 through October 24**, from 5:00 pm to 9:00 pm at Heritage Park in Cedar Hills. For more information or to apply to become a vendor please visit sunsetfarmersmarkets.com.

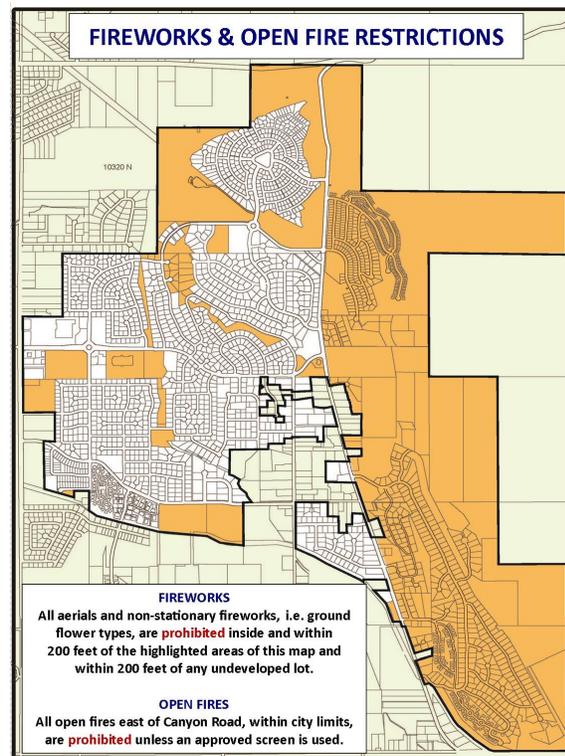

Fireworks Restrictions Enacted

With the fireworks season upon us, the city declares its support for the efforts of the Lone Peak Fire Department to limit fire risk in our community. The city council recently adopted an ordinance, which outlines the following restrictions:

Fireworks: All aerial and non-stationary fireworks, i.e. ground flower types, are prohibited inside and within 200 feet of the highlighted areas of the accompanying map and within 200 feet of any undeveloped lot. View the map at cedarhills.org/fires2018. Additionally, all fireworks and aeriels are prohibited in city parks, the golf course, and all other city-owned properties.

Open Fires: All open fires east of Canyon Road within city limits are prohibited, unless a screen is used.

Please use caution and good judgement when using fireworks or building open fires. Questions? Please contact the city office.

Mayor's Message

The recycling industry is struggling in the United States. According to a recent bulletin provided by Waste Management, until this year almost 30% of all recyclables from around the world were shipped to China, including 50% of the world's recyclable mixed paper and plastics.

China has implemented new aggressive environmental goals, which include establishing their own recycling programs, and, on January 1, banned all mixed paper and mixed plastic imports. Additionally, on March 1, China began enforcing a new 0.5% contamination limit on imported recyclables; then, on May 3, China announced it had suspended inspections for all recyclables from the U.S., and because all loads must be inspected and certified, this means that no recyclables will ship to China from the U.S. for at least a month. For more information on the industry issues and the impact it is having on the recycling industry, please visit RecycleOftenRecycleRight.com.

Due to these issues and the cost of cleaning up contaminated items that have been placed in recycling bins, Waste Management has increased rates for recycling totes. The rate for the first tote at each household will increase from \$4.79/month to \$6.90/month, and the rate for additional totes at a household will increase from \$2.24/month to \$5.00/month.

Due to these issues and the cost of cleaning up contaminated items that have been placed in recycling bins, Waste Management has increased rates for recycling totes.

While customers have no control over China's new policies, we can help by reducing the number of contaminated items being placed in recycling totes. For more information on the most common contaminants found in recycling containers, please visit the website referenced earlier or my blog at:

jenneyrees.com.

Waste Management has created a number of educational materials on how to best use the recycling program, and we will be sharing those with residents over the next several weeks, but we wanted residents to be aware of the associated rate increases that will be coming in July.

One other important item: We have implemented permanent fireworks restrictions, which are included on the front page of this newsletter and available on the city's website. We had a mild winter, so we are experiencing dry conditions, which have already led to some large fires in the state. In order to reduce the risk of a house fire or harm to individuals, we ask residents to check the map and to only light fireworks in the approved areas. Additionally, the State Legislature shortened the timeframe for fireworks to July 2-5 and July 22-25.

I am grateful for this wonderful country and hope you have a safe and enjoyable Fourth of July!

Mayor Jenney Rees

Landscape Watering Restrictions Continue

The city continues conservation measures for all residential water users. Residents with odd-ending house numbers will water **Mondays, Wednesdays, and Fridays**. Residents with even-ending house numbers will water **Tuesdays, Thursdays, and Saturdays**. Spot watering with a hose is allowed on Sundays for everyone. Restrictions are enforced with a warning for the first violation, a \$50 fine for the second violation, and a \$200 fine for the third and subsequent violations. The policy is in effect until October 15. Commercial, church, park, and golf properties may be on different schedules, including daytime watering, to offset water demand.

Reminders from Public Works

- 1) **Access to Utilities:** It is prohibited to bury the access lids to any utility, including water meters, irrigation connections, power boxes, etc. with landscape materials.
- 2) **Public Interference with Water or Sewer System:** "It is unlawful for any person to destroy, deface, injure, or interfere with the operation of any part or appurtenance of the water or sewer system (Ord. 3-3- 88A, 3-3-1988).

STORM DRAIN TIP OF THE MONTH

Pool/Spa Maintenance—What can you do?

- Never discharge pool or spa water to a street or storm drain.
- When emptying a pool or spa, let chlorine dissipate for a few days, and then recycle/reuse it by draining it gradually onto a landscaped area.
- Do not use copper-based algacides, unless absolutely necessary. Control algae with chlorine or other alternatives. Copper is an especially strong herbicide and doesn't quickly degrade to less toxic forms.

Water Pressure Low? Maybe It's Your Filter!

Sprinkler performance may be adversely affected by a clogged or partially clogged filter in your irrigation system. As we approach the hottest period of the season, there is a greater chance for moss and debris to build up on your individual filter, greatly reducing the water pressure. The city has provided an instructional PowerPoint presentation to assist you in finding the main valve and filter. Visit cedarhills.org/filter for more information.

Yards-of-the-Month Recognition Announced

Each month during the summer the Beautification Committee recognizes and awards residents for their efforts to beautify the city. Those who were recognized in June are the Dowlings at 4258 W Sandalwood Drive, the Sorensens at 9835 North 4100 West, the Daytonos at 4635 W Eaglebrook Circle, and the Drussels at 10335 N Avondale Drive. Photos of the winners are available to view at cedarhills.org/yards. One yard from each voting precinct is selected each month.

Road Resurfacing Project Announced

The city has scheduled Holbrook Asphalt Co. to complete street resurfacing work during July. Residents being affected will receive a door notice prior to the commencing of the work. Please visit cedarhills.org/asphalt to view the project map. If you have questions or concerns, please contact the Holbrook project managers at 435-652-4427. Weather conditions may affect the timing of the project.

Beware! Garage and Vehicle Burglaries

Recently, a string of garage and vehicle burglaries took place during the day, while homeowners were at home. Access is being made through unlocked exterior doors or open garage doors. Please take every precaution to ensure that garage doors are closed and locked when the garage is not in use. Likewise, take care to lock any other entrances to your garage. If your vehicles are parked on the street, be sure the doors are locked and any valuables are kept out of sight.

City Staff Reappointed to Board

Recently, Dax Fossum, a finance analyst on the city’s staff was reappointed to the Administrative Control Board of the North Pointe Solid Waste Special Service District (the waste transfer station in Lindon). Announcement of the appointment came in a letter dated June 12 from Utah County Commission Chair Nathan Ivie. In the near future Dax will be sworn in and take the mandatory oath of appointment. His term of service on the board will run until January 1, 2022. Thank you, Dax, for your willingness to allocate the time that is needed to be of service in this organization and to the community.

Dax Fossum

Holiday Office Closing & Delay in Service

The city office will close July 4 and July 24. Friday’s garbage and recycling services will be delayed until Saturday the week of July 4. Garbage service will run as usual with no delays the week of July 24.

Carnival to Help Local Schools

The Charleston Assisted Living Center invites everyone to attend a carnival on Tuesday, **August 7**, from 3-6 p.m. at the center to raise funds for trauma bags for Cedar Hills schools. A dunk tank will be on hand to soak members of our local fire and police departments— and Cedar Hills Mayor Jenney Rees! Enjoy hamburgers, hotdogs, corn-dogs, nachos, cotton candy, drinks, funnel cakes, and a watermelon-eating contest, including a round between the police and fire personnel. Buy raffle tickets and participate in other fun activities. Admission is \$4 for adults, \$2 for children, and children six and under are FREE! RSVP to The Charleston by July 30 at CHmarketing@mbk.com or call 801-772-0123.

DUP Pioneer Day Celebration

The Daughters of Utah Pioneers (DUP) are hosting a Pioneer Day Celebration on **July 24** from 1-5 p.m. at Robinson Park in American Fork. This is a fun-filled event for the entire family with 22 stations of activities, music, and tidbits of community history for children and adults. Step back in time on a docent-led tour of historic cabins and a buggy barn, and learn more about pioneer life. All are invited to this annual community event.

Free Breakfast for Cedar Hills Families

Join us for a great start to the day with a free breakfast, which has become a fun tradition for Cedar Hills families. There will be lots of good food, including pancakes, bacon, eggs, juice and milk. The place to be on Saturday, **August 18**, from 9:00 to 10:30 a.m., is in the Vista Room at the Cedar Hills Community Center, 10640 N Clubhouse Drive. You don’t want to miss this great summertime event for community interaction and a great, free breakfast.

Utility Rates Adjusted Effective July 1

The following utility and service rates were increased as of July 1, 2018. This action is taken each year to continue appropriate levels of service and to help keep the culinary water infrastructure maintained.

Utility	Previous Rate	Effective July 1
Water base rate per household	\$8.10	\$8.62
Water usage per 1K gallons	\$1.80	\$1.92
Sewer usage per 1K gallons	\$4.07	\$4.19
Storm drain per household	\$10.50	\$11.18

Lego Camp for Kids, August 6-10

Power up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO®! Week-long camp in Cedar Hills for kids ages 5-12. Register and get details at cedarhills.org/lego. Further questions? Contact safia@play-well.org or call 801-872-3576.

Damsel in Defense Classes Continue

Education is empowerment! This program teaches situational awareness, the ABCs of a warrior mindset, and tools to protect yourself while living your everyday life. **The same class will be taught on two more dates:** July 18 and August 16. Register on Rec1.com from cedarhills.org/recreation.

Bowling Lesson for Kids, K-12

Six weekly lessons with two games, instruction, and shoe rental are all included in the \$40 registration fee. Lessons begin July 9 at Jack & Jill Lanes in American Fork. Registration is open through July 8 at cedarhills.org/recreation.

Tot Soccer Registration Open for Kids, Ages 3-4

Games are played on Tuesday evenings at Mesquite Park, for six weeks beginning August 21. Parents are encouraged to coach. Online registration is open until August 12 at cedarhills.org/tot-soccer.

New Sessions of Karate Classes for Kids and Adults!

These classes create a fun, multi-level training experience for anyone six years and older, including adults! Registration and more information is available at cedarhills.org/karate. The next session of classes begins August 13.

Cedar Hills Soccer League for Kids: K thru Second Grade

The league offers co-ed Kindergarten teams and first and second grade boys and girls teams. The fall session begins in mid-August and runs through September, with registration available online at cedarhills.org/soccer until August 15. Separate registrations are required for the fall and spring sessions. A reversible, reusable jersey (\$5) is required, and is used for all Cedar Hills recreation programs. Games will be played on Saturday mornings at Mesquite Soccer Field in Cedar Hills, beginning August 27.

Flag Football Registration Open through August 26

Cedar Hills offers youth flag football for boys and girls in the 2nd through 9th grades. Registration is available online at cedarhills.org/flag-football through August 26. The games begin the end of August and run through early October. Games are played during weeknights and on Saturday mornings.

Sign Up Teams for Teen Flag Football

This league is for teens in grades 10-12. Create a team of friends, boys and/or girls, and sign up as a team or an individual at cedarhills.org/teen-flag-football through September 4. Games begin in September and will be played on Mondays in the late afternoons on the Lone Peak Seminary field.

Thank you, Family Festival Sponsors!

The following sponsors generously contributed to help make the 2018 Family Festival a great success: Hart's, Lone Peak Dental, Adobe, Dr. Bruce Richards, AirCare, Meiers, New Hope Bible Church, Ken Garff Ford, Ken Garff Chevrolet, Olympus Insurance, American Fork Hospital, Smile Perfect, Waste Management, Gygi Capital Management, Cedar Hills Family Dentistry, Stewarts.
