____.____.02: APPLICATION OF PROVISIONS:

This chapter imposes regulatory requirements on certain activities which are held on city streets and property and which are defined as "special events". The requirements imposed by this chapter do not alter, supersede or nullify any requirements contained in other statutes, ordinances or regulations which may also regulate these same activities. These requirements shall be applied in a content neutral manner and without discrimination as to race, religion, sex, national origin, political affiliation or other unlawful discriminatory classification.

____.____.03: DEFINITIONS:

For the purpose of this chapter, the following words shall have the following meanings:

ATHLETIC EVENT: An organized competitive or recreational event in which a group of people collectively engage in a sport or form of physical exercise, including, but not limited to, running, jogging, walking, bicycling or skating, on any city street.

ENTERTAINMENT EVENT: An organized event having as its primary purpose the entertainment or amusement of a group of people, including, but not limited to, parades, carnivals, fairs, concerts, block parties or neighborhood gatherings, on any city street.

POLITICAL EVENT: An organized event, not including an athletic or entertainment event, having as its primary purpose the exercise of expressive activities of a political nature, including, but not limited to, speech making, picketing, protesting, marching, demonstrating or debating public issues, on any city street.

SPECIAL EVENT: Any athletic event, entertainment event or political event, whether held for profit, nonprofit or charitable purposes.

____.____.04: PERMIT REQUIRED:

It is unlawful for any person, corporation, partnership, association or other entity, public or private, to promote, advertise or hold a special event without first obtaining a special event permit and paying the fees as required in this chapter.

___.___.05: EXEMPTION FROM PERMIT REQUIREMENT:

The provisions of this chapter shall not be applied to regulate the use of traditional public forums as alternative channels of communication by the public, provided such use is for the free exercise of constitutionally protected activities and does not disrupt or interfere with traffic on public streets or the use of public places by other members of the public.

___.___.06: PERMIT; APPLICATION PROCEDURES:

A. Form; Information: All applications for special event permits shall be made on a special event permit application form prescribed by the city and shall include the following information:

1. Type and description of event;
2. Name of the sponsoring entity, contact person, address and telephone number;
3. Name of the promoting entity, contact person, address and telephone number;
4. Proposed date, together with beginning and ending times;
5. Proposed location, including barricade plan and route map;

B. Obtain From Department: Special event permit application forms may be obtained from the department.

C. Submission; Time Limit: Completed application forms shall be submitted to the department at least thirty (30) calendar days before the event is scheduled to take place, in order to allow sufficient time to process the application and to allow timely appeal to the City Manager in the event the application is denied. Applications

submitted less than thirty (30) calendar days prior to the scheduled event shall be denied unless the applicant demonstrates to the city manager that compliance with the thirty (30) day deadline was impractical or impossible due to the nature of the event.

D. Advertising: No advertising of a special event shall be permitted until city approval of the special event is granted and a special event permit is issued.

E. Multiple Jurisdictions: Special events which cross or involve multiple governmental jurisdictions shall be approved only if the applicant also obtains formal authorization from all respective governing bodies.

___.___.07: PERMIT; APPLICATION PROCESSING:

A. Approval Of Agencies: Upon receipt of a special event permit application, the department shall circulate copies of the application to the following agencies for the purpose of obtaining their approval or disapproval of the proposed special event:

1. Utah County-county health department;
2. The city law enforcement services provider; and
3. Any other city department which is to provide a service in connection with the special event.

B. Considerations: In reviewing an application, the departments involved shall consider the following:

1. The impact of the special event on the traffic, security, health and safety of the public;
2. A determination by the department of appropriate and reasonable requirements for the mitigation of traffic, security, health and safety concerns, and an evaluation of the measures proposed by the applicant to satisfy those requirements;
3. The demonstrated ability of the applicant to comply with requirements necessary to protect the safety, health and welfare of the public;
4. The location and duration of the special event and the city's ability to accommodate the event with the necessary resources; and

5. Other previously approved special events that could cause scheduling conflicts during the same period and cause over extension of the city's resources.

C. Additional Requirements Or Conditions: The agencies or departments involved in reviewing an application may impose additional requirements or conditions necessary to protect the public interest by ensuring traffic management, security of property, or the health and safety of the public.

___.___.08: PERMIT; FEES:

A. Fee: Each initial application for a special event permit shall be accompanied by a nonrefundable fee of one hundred dollars (\$100.00) to defray the administrative costs of processing the application.

B. Protection Fees: In order to promote, protect and assure the safety and convenience of the people in their use of public streets and places, the city shall coordinate the use of professional peace officers if the special event requires traffic control or police protection and an additional fee shall be charged by the city to cover the costs incurred. The city shall specify the fee required upon its approval of the special event permit application, based upon the number of officers and amount of support equipment required by such factors as: the date and time of the event; the route location and length; the anticipated traffic and weather conditions; the estimated number of participants and spectators; the nature, composition, format and configuration of the event; and the estimated time for the event. The fee charged for traffic control or police protection shall be paid prior to the issuing of the special event permit.

C. Additional Fees: Additional fees may be charged by the Utah County-county health department or other city departments or service providers. Such additional fees shall be specified at the time the department approves the special event permit application and shall be paid directly to the agency prior to the issuing of the special event permit.

The department shall notify the city manager, the city council and all affected agencies of all special events permits issued pursuant to this chapter.
- B. Reasons For Denial Specified: If a special event permit application is denied by the department, the reason or reasons for denial shall be provided in writing to the applicant.
- C. Authority To Deny: The city reserves the right to deny permit applications for proposed special events which pose a significant danger or threat to the public health, welfare or safety, or which may result in unreasonable inconvenience or cost to the public.

___.__.10: PERMIT; LIABILITY INSURANCE AND INDEMNIFICATION:

- A. Certificate Of Insurance: No special event permit shall be issued unless and until the applicant has submitted to the department a certificate of insurance, listing the city as an additional insured, on an occurrence policy issued by an insurance company authorized to do business in the state, showing comprehensive general liability and property damage coverage for the event with minimum limits of: two hundred fifty thousand dollars (\$250,000.00) for injury or death for one person in any one occurrence; five hundred thousand dollars (\$500,000.00) for injury or death for two (2) or more persons in any one occurrence; and one hundred thousand dollars (\$100,000.00) for property damage in any one occurrence.

Any permit applicant desiring to appeal an administrative decision of the department concerning the denial of a special event permit may petition the city manager. An applicant aggrieved by the decision of the city manager may seek judicial review of such decision pursuant to rule 65(b), Utah rules of civil procedure, or any other applicable ordinance, statute or rule providing for such review.
